PLEASE TAKE NOTICE, that the undersigned respectfully seeks an extension of the s/Judge Amon
deadline for opposing defendant's Motion to Dismiss before the Honorable Judge Carol B. Amon of
the United States District Court, Eastern District of New York, United States Courthouse, 225
Cadman Plaza East, Brooklyn, New York 11201. 5/9/08

Today I received a copy of the Motion to Dismiss my case from Ms. Candice Lieberman, (C/LM)
Counsel for Ross University School of Medicine. With only two days remaining before the
deadline of May 9, 2008, I am unable to properly oppose this Motion to Dismiss.

Mr. Bradley M. Zelenitz, Esq., the attorney who began this case was relieved from the case
on March 26, 2008. I was able to collect my file from Mr. Zelenitz's office on April 29, 2008, but
this Motion to Dismiss was not included in the file. Additionally, Mr. Zelenitz left his name as the
attorney on file until May 5, 2008 and as a result, I was unable to obtain this Motion to Dismiss
from the *pro se* office during that time period. Today, I requested that Ms. Candice Lieberman
extend the deadline and she refused. Therefore, I have no alternative but to humbly ask the court
for a reasonable extension of the deadline. Thank you in advance for your attention and assistance.
